

Empower People with Parkinson's Disease through Evidence-Based, Effective Treatment!

Student Rate!
\$325.00

We invite you to the upcoming LSVT BIG Virtual Live Training and Certification Course hosted by APTA New Hampshire on March 24-25, 2023! The course is a mix of online self-paced learning and virtual live interactive learning designed to train occupational and physical therapy professionals and students in an evidence-based, intensive, treatment program for individuals with Parkinson's disease and other conditions.

Benefits for OT and PT Students

- Generous pricing discounts for students enrolled in OT or PT programs
- Provide LSVT BIG during your clinical rotations with the supervision of an LSVT BIG Certified Clinician
- Free upgrade to professional status after you graduate with no exam retake
- Obtain a competitive edge and make yourself more marketable when you graduate
- Take an additional \$30 off when 5 or more students register as a group

- When:**
- : Complete 3 hours of pre-recorded online content
 - : First virtual live session 12:00 PM - 6:00 PM (Eastern)
 - : Second virtual live session from 12:00 PM - 5:30 PM (Eastern)
 - : Complete final exam

Where: Anywhere! If you have a computer/tablet and internet, you are all set!

How to Register:
